

Matthew 16:18

"...and upon this rock, I will build my church; and the gates of hell shall not prevail against it."

We want to begin by expressing our heartfelt gratitude for your continued prayers and financial support. We are so thankful for your faithfulness to the work God is doing here in Atlantic City. Over the past few months, we have truly seen the Lord move in a mighty way, and we are excited to share these updates with you.

In March, we had the privilege of hosting a revival with Br. Mikey Mauro and his family. The services were powerful, and God worked in hearts in a special way. We rejoice that several individuals made professions of faith during that time, and even more encouraging is that those who trusted Christ have continued attending faithfully since then. It has been a joy to watch their growth and hunger for the Lord.

For the past four months, we have been diligently searching for a stable meeting place in Atlantic City. We are thrilled to share that God has provided! The Lord opened the door for us to meet in a former AME Church that had closed during COVID. The first floor has recently been renovated, and the building owners were specifically looking for a church to meet there. This location, on the north end of the island, has already been such a blessing. Many of our people are now able to walk to services, whereas before we needed to provide transportation for nearly everyone. The building includes a spacious sanctuary area, a nursery, and a great room for children's ministries—truly an answer to prayer.

We are also thankful for how God has brought help at just the right time. A couple, Travis and Jaki from Brigantine Bible Church, have joined us in the ministry, and they have already been a tremendous blessing. Their willingness to serve in so many areas has strengthened our church, and it is evident that the Lord knew exactly what we needed when He brought us together.

Another great encouragement has been the growth of our church family. Our people have been faithfully inviting friends and family, and we are seeing God bless those efforts. Currently, we are seeing strong consistent attendance and new visitors weekly, and we are grateful for the steady growth that is happening through personal outreach.

Thank you again for standing with us in prayer and support. We could not do this work without you, and we are grateful to labor together for the cause of Christ.

For His Glory,
Rodriguez Family
