

**Matthew 28:20**

“Teaching them to observe all things whatsoever I have commanded you:”

We are deeply grateful for every pastor, church, and friend who faithfully supports the ministry here in Atlantic City. Your prayers and partnership have been a constant encouragement as we serve the Lord and watch Him work in ways only He can. It has been a blessing to labor in this city and see Christ’s work so evidently. Over these past months, the Lord has allowed us to begin consistent weekly discipleship with our women, and their growth and faithfulness has been encouraging. At the same time, our men’s discipleship continues weekly, and God is working in remarkable ways. During one of our studies, Kevin realized his need for salvation and made a clear profession of faith. Another man, Jon, had a moment of clarity while studying the Scriptures and said, “You mean I need to not trust the Coptic church and just trust Jesus?” Moments like these remind us that the gospel still opens eyes and transforms hearts.

Our kids ministry continues to grow, with new children attending faithfully and newly trained helpers stepping in. Their involvement has strengthened the ministry and allowed us to care for each child more intentionally. We have also seen God’s grace at work among several individuals who have been faithfully attending while living at the Atlantic City Rescue Mission. In recent months, some have secured jobs and permanent housing. Watching them stabilize their lives has been a testimony of God’s goodness!

We also want to extend a heartfelt thank-you to Faith Baptist Church in Pennsylvania for coming to help us pass out tracts throughout uptown Atlantic City. Their willingness to serve and love our city was a tremendous blessing. As we look ahead, we ask you to pray for our one-year anniversary service coming up in August, that God would use it to reach many. Please pray for our new converts to grow through discipleship, pray for laborers for the harvest, pray for Kari, a 14-year-old girl in our church whose mother recently passed away, and pray for Atlantic City, that hearts would be softened and the gospel would continue to advance.

Thank you for your faithful prayers, support, and encouragement. We could not labor here without you. God is using your investment to plant a gospel-centered, Bible believing church in a city deeply in need of truth. We count it a privilege to partner together for the sake of the gospel.

In His Service,
Rodriguez Family
