

John 17:17

"Sanctify them through thy truth: thy word is truth."

As we continue the work God has called us to in Atlantic City, this verse has been our anchor. In every service, every Bible study, and every discipleship moment, we are watching the truth of God's Word do exactly what Jesus prayed it would—sanctify, strengthen, and transform lives.

God has been so faithful. This fall we launched our women's Bible study, and the Lord has blessed it with consistent attendance and sweet spiritual growth. At the same time, our Tuesday men's Bible study has continued to grow steadily, creating a strong foundation of fellowship and accountability among the men God is bringing our way.

One of the greatest joys of these past months has been watching God work in the life of Drew. Drew is the boyfriend of a mom and daughter who have attended faithfully since we launched in August. When he first came, he was beginning to follow Islam—but through the preaching and teaching of God's Word, Drew received assurance of salvation. For the past two months he has been attending faithfully and has even begun serving in different areas.

Please continue to pray for him as he grows in grace and truth.

We also had a wonderful Friendsgiving service, with many visitors and an overall attendance of 65 people from Atlantic City. The spirit was sweet, the gospel was clear, and the fellowship was encouraging.

Possibly the greatest highlight of all—we rejoice to report that we celebrated our first baptism service. By God's grace, we were able to baptize 12 believers, and we are actively discipling each one. Watching these new believers take their first steps of obedience has been a tremendous reminder that God's Word is still changing lives in powerful ways. As some may know, we have faced several challenges in securing a more suitable meeting place. We were asked to leave our previous location due to no heat and no bathrooms.

Because of this, we have moved our services to our sending church while we continue seeking God's direction for a permanent meeting place in Atlantic City. These bumps in the road have not slowed the work—if anything, they have strengthened our resolve and deepened our dependence on the Lord. We have actually had 1 visitor each week since moving our services!
